Note for Applicants – Application to make endorsement specific for a MSSA Firearm

There is no fee for this application.

This form is to be used to apply for an endorsement permitting possession of a specific military style semi-automatic firearm pursuant to s30B of the Arms Act 1983, which is not being acquired from a third party. If you intend to obtain a MSSA firearm from a third party, either in New Zealand or overseas, the endorsement for the firearm will be made specific once you obtain a permit to procure or a permit to import. If you intend to create a MSSA firearm for example by manufacture, assembly or by converting a sporting firearm, you apply on this form (POL 67X), providing you have already been granted, or have applied for, a general MSSA Firearm endorsement (POL 67H).

Application is made to a member of the Police at an Arms Office.
Go to: <http://www.police.govt.nz/advice/firearms/firearms-offices>

The MSSA firearm to which this endorsement applies is to be presented for inspection to the Arms Office issuing the endorsement as soon as it comes into your possession.

Prerequisites:

1. You must have, or be an applicant for, a New Zealand firearms licence
2. You must be of or over 18 years of age

3. You must have, or be an applicant for, a general endorsement issued pursuant to s30B of the Arms Act 1983 (Application form 67H). You also need to demonstrate that you will be able to comply with the security requirements in the Arms Regulations 1992.

Reasons for Possession of the MSSA firearm:

You may advance any reason and it will be considered by the member of the Police considering your fitness to possess the particular MSSA firearm. Common reasons are:

The individual applying for the endorsement:

1. seeks to possess the MSSA as part of a collection, and demonstrates that it fits with and enhances an existing collection or planned collection, or
2. participates in an identifiable shooting discipline or sport at an incorporated sports club with rules encouraging safe and legal use of firearms and a range certified for the shooting activity and intends to use the MSSA in an event at that sports club, or
3. wishes to use the MSSA in a capacity equivalent to that described in section 29(2)(e) of the Arms Act 1983 ('theatrical purposes'), or
4. wishes to replace an unsafe or unserviceable MSSA,
5. or requires the MSSA for occupational purposes.

Inspection

If granted, this endorsement will be subject to conditions including that any MSSA firearm acquired through the POL 67X is to be presented for inspection to the Arms Office issuing the "E" (Specified) Endorsement forthwith upon it coming into your possession and being converted to a MSSA firearm.
